This matter comes before the Commission by way of an Application filed by J & C Moving and Storage, Inc. (hereinafter "the Applicant") for a Class E Certificate of Public Convenience and Necessity to render motor freight service over irregular routes only, as follows:

HOUSEHOLD GOODS: Between points and places
in South Carolina.

Subsequent to the initiation of this proceeding, the Commission Staff instructed the Applicant to cause to be published a prepared Notice of Filing in certain newspapers of general circulation in the State of South Carolina. The Notice of Filing indicated the nature of the Application and advised all interested parties desiring to participate in the proceeding of the manner and time in which to file the appropriate pleadings. No Protests or Petitions to Intervene were filed with the Commission. The Notice of Filing was duly published in the State Register.

Upon consideration of the Application, the representations contained therein and the documentary evidence attached thereto, the Commission finds that the Applicant is fit, willing and able to perform the service to the public under the authority sought. The Commission also finds that the granting of the certificate is required by public convenience and necessity.

According to the Commission's files, the Applicant is the holder of Certificate No. 628 B, which duplicates in part the authority granted herein. The Commission accordingly orders that such duplicating authority be cancelled pursuant to R.103-157 of the Commission's Rules, Vol. 26, S.C. Code Ann., 1976.

IT IS THEREFORE ORDERED:

1. That the Application for a Class E Certificate of Public Convenience and Necessity be, and hereby is, approved.

2. That the Applicant file the proper license fees and other information required by S. C. Code Ann., Section 58-23-10 et seq. (1976) as amended June 15, 1983, and by R.103-100 through R.103-280 of the Commission's Rules and Regulations for Motor Carriers, S. C. Code Ann., Vol. 26 (1976), within sixty (60) days of the date of this Order, or within such additional time as may be authorized by the Commission.

3. That upon compliance with S. C. Code Ann., Section 58-23-10, et seq. (1976) as amended June 15, 1983, and the applicable provisions of R.103-100 through R.103-280 of the Commission's Rules and Regulations for Motor Carriers, S. C. Code

Ann., Vol. 26 (1976), a certificate shall be issued to the Applicant authorizing the motor carrier services granted herein.

4. That prior to the compliance with such requirements and receipt of a certificate, the motor carrier services authorized herein may not be provided.

5. That this Order shall remain in full force and effect until further Order of the Commission.
